

**Additional requirements
for admission to the Doctoral School at the John Paul II Catholic University of Lublin**

In addition to the conditions stipulated in § 1 of the Conditions and Procedure for Recruitment to the Doctoral School at the John Paul II Catholic University of Lublin for the academic year 2024/2025, a candidate should fulfil at least one of the following additional conditions:

1. Authorship or co-authorship of a scientific article in a journal that was on the list of the Ministry of Science and Higher Education at the time of publication.
2. Authorship or co-authorship of a research monograph or a chapter in a research monograph, or editing of a research monograph published by a publishing house which was on the list of the Ministry of Science and Higher Education at the time of publication.
3. Participation in the implementation of projects promoting research, teaching or science.
4. Active participation in national or international scientific conferences, including student conferences, or documented activity in the organisation of such conferences.
5. Activity in a research club, self-government or another student organisation.
6. Participation in the "Diament" programme of the Doctoral School of the John Paul II University of Lublin.
7. Rector's award for good academic performance or other forms of student activity.
8. A laureate title, distinction or award in a student research competition.
9. Scholarship from the Minister of Science and Higher Education or another scholarship for students.
10. Participation in international exchange programmes.
11. Attainment of a second-cycle diploma or a long-cycle master's degree with distinction.
12. Other significant activities, such as voluntary work, charitable work, and activity in social organisations.
